

# POLY extrusion

Plastic is what you need

Plastic is what we think all the time, that is why we give our customers the value and the attention they deserve.

We, at Poly Extrusion believes that requirement of each customer is unique in their respective terms and we scale ourselves to suit their needs.

Give an opportunity to serve and see the difference yourself.

Ready to save money without compromising?  
Choose an used machine instead of a new one  
and save money to setup the entire plant.
